COMPASS TEAM RORMAT COMPETITION

Players/doubles teams are awarded one (1) point for winning a match. The standings in the BOX are determined by the highest number of points.

Tie in the results of a Round Robin competition shall be broken as follows:

1. The head-to-head result of the two Teams (the team that won more matches).
2. If there is a tie between two teams with the number of matches won, the team that has won more games will be the winner (tie-breaker counts as one game).

The final position in the Box of two teams with one win will be decided as follows:

1. Head to Head result will stand if they played each other.
2. The team that wins more matches against the 1st place team in the box will be the winner.
3. The team that loses fewer matches against the 4th place team in the box will be the winner.
4. The team that wins more games against the 1st place team in the box will be the winner.
5. The team that loses fewer games against the 4th place team in the box will be the winner.
6. If there is still a tie, we will have a draw.

CODE OF CONDUCT

Unsportsmanship behavior by any Team member (players, coach, and their supporters) during or after a match can be penalized as follows:
